Dear HIES Community,

The 2020-2021 academic year at Holy Innocents' Episcopal School could be remembered as the year of a pandemic and masks and social distancing. But we think it will be remembered for all that happened in spite of a pandemic and masks and social distancing.

We did keep campus open all year. Our students did create, serve, compete, perform, entertain, play, celebrate and much more. The Golden Bears students overcame everything the pandemic threw their way so they could continue learning, studying, excelling, growing and developing their talents and pursuing their passions—all under the leadership and guidance of their extraordinary teachers, directors and coaches.

Our trustees, alumni, parents, faculty and friends also came together in spectacular fashion to support the school through the 2020-2021 Annual Fund. The Annual Fund goal of \$1.25 million was achieved even though the Our Time Capital Campaign took precedent. Our amazing community helped us reach the finish line.

We kicked off the Our Time Capital Campaign in March 2019 in the amount of \$32.5 million, a campaign to build a new Upper School Humanities Building and a new Lower School Building, a cross-country course and a campus quad. We had just launched the public phase of our capital campaign at the end of January 2020, and six weeks later, we had to pause fundraising until the end of August. I am pleased to say despite these initial setbacks, our community rallied and gave more than \$10 million last year, and for that reason, we are almost at the Campaign goal. We have raised \$31 million and have \$1.5 million left to raise.

Finally, the Tax Credit Program continues to support our families with financial aid needs coming to HIES from public school. Our generous families gave over \$900,000 this year.

How does a school measure success? Is it the number of AP scholars or National Merit Semifinalists we have each year or the number of academic and athletic competitions we win? Is it the total of college-scholarship dollars earned or the number of people reached through service to the community?

By all these measures, we have great success each year. But we also find that one of the most significant measures of our success is the support we continue to receive from our dedicated constituents and friends. Past, present and future, the students and faculty of HIES benefit from this legacy of philanthropy.

Because of you, we are able to fulfill our mission and implement the programs and activities that make this school one of the premier educational institutions in the nation. Through your contributions to the Capital Campaign, Annual Fund, Endowments and Estate Planning, we can ensure that current and future students have the necessary tools to excel. We are grateful for your generosity and vision, which create unlimited opportunities for HIES students and faculty.

Thank you to each one of you for your generosity during the most difficult of years. We are so grateful for the support of our community, making HIES the outstanding school it continues to be.

With gratitude,

Michele Duncan, CFRE

## LEADERSHIP CIRCLE

The Leadership Circle recognizes and cultivates the School's most loyal and generous supporters, those contributing \$1,959 and more on an annual basis. Members receive an invitation to a Donor Recognition reception and invitations to other special events throughout the year. In 2020-21, there

were 190 families in the Leadership Circle.

The Holy Innocents' Leadership Circle includes seven giving levels:

### Earl Dolive Giving Society (\$50,000+)

Recognizing the generosity of a past parent, grandparent and champion of the Annual Fund.

### Founders' Club (\$25,000 - \$49,999)

Recognizing those whose generosity is the cornerstone of philanthropy to our School.

### Bishop's Council (\$10,000 - \$24,999)

Recognizing the School's historical link to the Episcopal Church.

### Trustees' Circle (\$7,500 - \$9,999)

Remembering the members of the Board of Trustees who helped establish and have provided distinctive leadership to Holy Innocents' Episcopal School since 1959.

### Lillabel West Society (\$5,000-\$7,499)

Recognizing the memory of the first Director of Holy Innocents' Parish Day School. In 1959, seventy-two students were enrolled in three-year old through first grade classes under the leadership of Mrs. Lillabel West.

### Head of School's Circle (\$2,500-\$4,999)

Recognizing the commitment and prestige of the ten headmasters who have led Holy Innocents' since 1959.

### 1959 Society (\$1,959-\$2,499)

Commemorating the 1959 founding of

## PARENTS' ASSOCIATION

The HIES Parents' Association is here to

- encourage parental participation in the life of the school
- better acquaint parents with the activities, programs, and policies of Holy Innocents' Episcopal School
- facilitate communication between parents and the school administration, faculty, and staff
- and, enrich the school's academic and community programs

Additionally, the PA's Fundraising and Community Life committees marshal the resources, talents, and efforts of hundreds of parent volunteers to provide the "extras" that enrich the lives of HIES students and our community.

In 2021, the Parents' Association continued our traditional fundraising activities: the annual Tuition Raffle, sales of the Bear Benefits Card, the Bear WearHouse, and Community Partner programs with the likes of Amazon, Publix, Kroger, and Mable's Labels. The PA's annual "Golden Bear Gala" was cleverly renamed "The Golden Bear unGala" and was held virtually due to the continued Covid-19 pandemic. The unGala was a huge success, raising over \$220,000, through a creative and fun virtual experience with both a silent and live auction. Despite the pandemic, the Parents' Association fundraising activities during the school year yielded significant revenues and enabled the PA to donate more than \$236,000 directly to the School, benefitting HIES students and families. The PA made a \$155,000 contribution to the PA's Capital Campaign pledge and a \$25,000 donation to the HIES Annual fund. After concluding that the "extra" gift with the most positive impact on all the students this year would be helping complete the buildings, the PA gave an additional \$50,000 contribution to the Capital Campaign to bring the PA's overall contributions to \$850,000 to be completed by 2023.

In addition, the Parents' Association is the facilitator of the Excellence program, collecting donations from families at the beginning of the year, which are then divided equally among the three Parent

Organizations at HIES. In 2021, we were able to give over \$15,000 each to the Fine Arts Alliance, the Crimson & Gold athletic boosters, and the Parents' Association. This optional donation allows families to easily support these important areas of their child's education: academics, fine arts, and athletics.

In addition to fundraising, our Parents' Association also supports and funds the following programs, and offers them free of charge to the HIES community:

- Parent representatives for each grade and division
- "Buddy" families who welcome new families to HIES
- Monthly grade level newsletters, chock full of timely information about HIES happenings and opportunities for parents to volunteer and get involved
- Parent updates and information sharing via Facebook, text alerts, and Instagram
- Faculty and Staff appreciation events – including both a festive Holiday and Spring Luncheon, two "Teacher Treats" coffee/pastry mornings and other such special acknowledgments throughout the school year
- Compelling Parent Education events with guest speakers and facilitators, funded by the Parents' Association and offered free of charge to parents
- Holy Innocent's Cultural Awareness Partners (HICAP) meetings throughout the year to help educate, advocate for, and further unify the HIES community
- Prayer group for parents, held virtually every month during the school year with a few "tailgate" style gatherings too.
- Support and service to HIES families in need through our Caring Bears program
- Annual events that the PA plans to bring back in person this year: Lower School Bingo night, HIES Around the World community celebration of culture, and our field trip to the National Center for Civil and Human Rights in the spring

## FINE ARTS ALLIANCE

The Fine Arts Alliance (FAA), established in 2003, is dedicated to promoting and enhancing all Holy Innocents' fine arts programs including chorus, band, orchestra, theatre, visual arts, and media literacy programs. Through enthusiastic parent involvement, we can provide volunteer and financial support to our award-winning Fine Arts Department. Art education helps broaden a student's perspective on the world and traditional academics. The arts allow a student to express their creativity while challenging their intellect.

The Fine Arts Alliance is proud to offer our support through hundreds of volunteer hours and fundraising. The FAA's financial contributions support the purchase of equipment and instruments, underwrite guest artists, clinicians, choreographers, and journalists, and provide financial aid for student travel and scholarships for graduating seniors.

Our largest fundraiser is our biennial Heart for the Arts event, a fashion show with an art

and jewelry market, silent and live auctions, and brunch. This year, the event will take place on Tuesday, December 14, 2021 from 9 am – 2 pm at the Cherokee Town Club.

Dues collected from the Excellence Program and other parent-centered fundraising activities, including the annual holiday greenery sale, make up another significant source of funds. Funds are also raised throughout the school year through the concession and box office sales for four theatrical productions and a highly popular community-building movie night for the Primary School and Lower School students and their families.

In 2020-2021, despite the pandemic, the Fine Arts Alliance was able to raise more than \$22,000 to support the following Fine Arts initiatives as well as contribute to the Our Time Capital Campaign:

- \$30k donation to the Capital Campaign
- Rental of Sewell Mill Cultural Center for Upper School plays

- Bella vocal lessons
- The purchase of a digital piano
- The purchase of a Wenger cello rack
- iPads for students
- Our continued academic affiliations with the High Museum of Art which benefits all HIES families.

**Active parents are needed to help maintain our strong Fine Arts programs. For more information on how you can become involved, visit our page on the school's website under Campus Life/Parent Organizations or contact Mandy Cutler, President of the Fine Arts Alliance.**

# THE HOLY INNOCENTS' ATHLETIC ASSOCIATION - CRIMSON AND GOLD

The Crimson and Gold Booster Club is an organization that supports the broad spectrum of 56 athletic teams and programs offered by Holy Innocents' and run by the HIES Athletic Association. Crimson and Gold is composed of parent volunteers who contribute their time to build a school-wide legacy of spirit and tradition for all HIES athletic teams. Annual Crimson and Gold fundraising projects include the Crimson and Gold Membership, the Annual Golf Tournament, the Crimson and Gold Sports Program, the Crimson and Gold Tennis Tournament and the Excellence Program divided between all parent organizations.

The purpose of the Crimson and Gold is to:

- promote and encourage athletic objectives of all HIES organized team sports
- foster and inspire school spirit and enthusiasm within the community
- raise funds to supplement and enhance our athletic programs with equipment, facilities and service

# HORIZONS ATLANTA

Holy Innocents' Episcopal School

Horizons Atlanta at Holy Innocents' Episcopal School believes that every child, regardless of background, should have the same chance at making a positive impact on his or her community. Our six-week academic enrichment program housed in the HIES Primary School and Upper School provides this opportunity to economically disadvantaged local public school students by eliminating critical barriers to

success. Horizons students are challenged academically, socially, and physically through our Global Academy, a blend of project-based and service learning activities teaching each child how to be a productive global citizen.

Horizons secures funding from local foundations, individuals, corporations, and community organizations. In May of 2021, Horizons at HIES participated in Horizons Giving Day, a national effort to raise funds and awareness of the program. We surpassed our site's goal of \$55,000 thanks to many individual donations from the HIES community. The funds raised contribute to our operations and programming.

The program would not be possible without the support of the Holy Innocents' community. Horizons would like to thank all of our volunteers, donors, and advisory council members for their time, talents, and generous resources.
